

FOUNDER INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

CompliVibe Private Limited

This Founder Intellectual Property Assignment Agreement ("Agreement") is made and entered into as of the Effective Date set out below, by and between:

CompliVibe Private Limited, a company incorporated (or in the process of incorporation) under the laws of India, having its registered office as recorded in its incorporation documents ("Company");

AND

Adarsh Sharma, Founder & CEO of the Company, residing at Bokaro, Jharkhand, India ("Founder").

(Each a "Party" and together the "Parties")

1. Background

The Founder has, prior to and/or in connection with the incorporation of the Company, conceived, developed, authored, or contributed to certain intellectual property relating to the business of CompliVibe, including its AI governance, risk, and compliance (GRC) software platform.

The Parties wish to ensure that all such intellectual property is, and remains, owned exclusively by the Company, to support the Company's ability to raise investment, enter into commercial agreements, and operate without ambiguity as to ownership.

2. Definitions

"Assigned IP" means all Intellectual Property Rights in and to any work, invention, discovery, improvement, design, software, source code, documentation, business process, trade secret, trademark, trade name, domain name, or other work product that is created, conceived, developed, or reduced to practice by the Founder, whether alone or jointly with others, that relates to or arises out of the business, products, or services of the Company, including but not limited to the "CompliVibe" name, logo, and the CompliVibe software platform and all versions, modules, and components thereof.

"Intellectual Property Rights" means all patents, copyrights, trademarks, trade secrets, design rights, database rights, domain names, and any other intellectual or industrial property rights of any kind, whether registered or unregistered, and all applications for the same, anywhere in the world.

3. Assignment

The Founder hereby irrevocably assigns, transfers, and conveys to the Company, absolutely and free of any encumbrance, all of the Founder's right, title, and interest, whether existing now or arising in the future, in and to the Assigned IP, including the right to sue for past, present, and future infringement.

This assignment includes all Assigned IP created by the Founder prior to the Effective Date in connection with CompliVibe, as well as all Assigned IP created during the Founder's involvement with the Company.

The Founder agrees that this assignment takes effect automatically upon creation of any future Assigned IP, without need for further documentation, though the Founder agrees to execute such further documents as the Company may reasonably request to perfect this assignment.

4. Moral Rights

To the extent permitted by applicable law, the Founder waives all moral rights in the Assigned IP in favor of the Company, including the right to be identified as author and the right to object to derogatory treatment of the work.

5. Representations and Warranties

The Founder represents and warrants that:

- The Founder is the original creator of the Assigned IP and has not assigned, licensed, or encumbered any part of it to any third party;
- The Assigned IP does not knowingly infringe the intellectual property rights of any third party.
- The Founder has full right and authority to enter into this Agreement and make the assignment described herein.

6. Further Assurances

The Founder agrees to cooperate with the Company, at the Company's expense, in the protection, registration, and enforcement of the Assigned IP, including signing any documents reasonably necessary to record the Company's ownership.

7. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of India. Any disputes arising under this Agreement shall be subject to the exclusive jurisdiction of the courts at [City, India — insert registered office jurisdiction]

8. Entire Agreement

This Agreement constitutes the entire agreement between the Parties with respect to its subject matter and supersedes all prior discussions or understandings, whether oral or written.

EFFECTIVE DATE: 20-06-2026

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date.
